

Full Moon in June

About Aura Home Women Vets

Aura Home Women Vets was founded in 2014 with a mission to reach out to women veterans seeking assistance with housing and provide a resource for homeless prevention. Our vision is that Aura Home empowers women Veterans to be vibrant and self-sufficient to thrive in their community. We are currently renovating a 7,700 square foot assisted living center in Hendersonville, NC to provide transitional housing for up to 13 women Veterans and their children/pets as they regain self-sufficiency. More info at <https://aurahomewomenvets.org>

Help us Turn on the Lights!

Your participation in this event will help us with the costs of rewiring the **Felicia Reeves House** so we can get electricity and TURN ON THE LIGHTS! This is the second major component to opening the home and once this is done, we will be well on our way to providing women Veterans in western North Carolina with a safe haven to regroup, recharge, and move forward to self-reliance.
